Crossroads demonstrates how reading and writing are interrelated processes, weaving them together to prepare students for the critical reading, critical thinking, and writing expectations of college. Recognizing the widely-accepted principle—and growing trend in classroom practice—that strong reading skills beget better writing and vice versa, authors Pam Dusenberry and Julie Moore illustrate how reading and writing are similar in the structural components of texts, as well as the ...

to reading and writing which means students learn dozens of strategies for solving reading and writing problems. While there is no single process that is guaranteed to make students better readers and writers, there are steps that can be followed, rearranged, and repeated to help all writers and readers improve their skills.
