From the editor of Dirty Girls comes a new anthology of steamy stories for women who don ’ t fit into a size zero—or two, or four—and the men and women who love them. In this voluptuously erotic collection, editor and best-selling author Rachel Kramer Bussel showcases the sensual side of having “ more to love, ” from the sexiness of big butts and plus-size corsets to the irresistible allure of pregnant bellies. No aspect of full-figured female sexuality is left unexplored, whether heterosexual or same-sex, raunchy or romantic, femme or butch. Bussel also includes seductive stories featuring characters of varying ethnic and racial backgrounds, exploring how different cultures approach size and eroticism. From trysts between long-time partners to one-night stands, from vanilla encounters to kinky romps, Curvy Girls is an all-inclusive celebration of the sensuality of larger women—in all their curvy glory.

Renowned poet, Khari, has helped thousands of women embrace their curves with his spoken word pieces that empower plus size women. In his book, *Curvy and Confident: Inspiring Women to Love Themselves*, Khari has written a self empowerment guide for women who want to improve their self-esteem and boost their self-confidence. This book not only focuses on the importance of self-acceptance, but also highlights the key role that confidence plays in the ability of women to succeed. This book provides practical solutions that will help women overcome low self-confidence, negative body image, and insecurity. *Curvy and Confident* is a guide that will show you how to:

- \* Increase your self-confidence and overcome obstacles
- \* Teach you how to date with confidence
- \* Avoid emotionally abusive relationships
- \* Eliminate negative self-talk
- \* Love yourself and transform all the negative thoughts about your body

*Curvy and Confident* is a book that will empower and transform women's lives.

I know what you're thinking. You're thinking that yoga and a wonderfully curvy figure just don't go together. You're just not flexible enough, your curves would get right in the way and that your body just wouldn't obey you. You'd wobble like an ugly duckling and finish up feeling embarrassed and very silly. At least that's what you think. But did you know that over the last few years, a revolution has been gathering place in the yoga studios and living rooms of the world? A powerful revolution fronted by women just like you and I who also want to enjoy the massive health and happiness benefits of starting a yoga practice, but because of their body shape have felt too ashamed to even give it a go. A revolution that I'm lucky enough to be part of. Over the past few years, I have helped empower curvier women to start a yoga practice no matter what their challenges, or how scared they might feel, and now I'm here to do exactly the same for you. I've witnessed the amazing transformative effects of yoga in all of my fellow yoga enthusiasts; I've watched wallflowers blossom into strong, confident and beautiful women, I've seen that inner glow light faces from within, I've seen chronic health conditions heal and stubborn pounds drop off. And I can't wait for these amazing benefits to happen to you. You see; you don't have to have supermodel looks or be as bendy as a pretzel to welcome yoga into your life - you only need the desire to learn and a body to practice within. Provided you follow the easy-to-understand instructions in this book, you CAN become the very best version of yourself, and feel amazing too! Here's some of what I'll be sharing with you:

- \* The fascinating facts about yoga
- \* An easy guide to the styles, philosophy and underlying principles of yoga
- \* The top secret ways to get the most from your yoga practice
- \* What to do when boobs get in the way (and many other useful curvy girl tips)
- \* Why it's so important to get that breathing right
- \* The truth about yoga as a fitness workout PLUS a fully illustrated guide to yoga postures (asanas) and flow sequences, including:
- \* Beginner's Guide to Sun Salutations
- \* Yoga for Winter Blues & Depression
- \* Yoga for Better Sleep
- \* Yoga for Weight Loss
- \* Yoga for Period Pain

And my ultra-popular and useful '5-Minute Fix Yoga' for those who really need to give their bodies some TLC. So what are you waiting for? Grab this book today to join me on this amazing journey towards better health and happiness.

Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. More than a Body is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-
