Executive Briefing: BS 8001 - a Guide - BSI Group
Executive Briefing: BS 8001 - a Guide. 31 May 2017. The world's first
standard for implementing the principles of the circular economy in
organizations. Circular economy thinking has gained increased
international attention in recent years. In response to market need,
BSI has now published BS 8001:2017, the first standard to help improve
understanding and implementation of the circular economy at an
organizational level.

Executive Briefing: BS 8001 - a Guide - edie.net
BS 8001 - A new standard is available. Our current economic model is
dominated by a linear approach to consumption and production, where

materials are grown or extracted, then made into goods which are used and then disposed of. Whilst the circular economy – where resources are recovered at their highest quality and kept in circulation for as long as possible – is not a new concept, it has become increasingly popular in recent years as more businesses seek an alternative to our current ...
