Rotating Food Storage. Stocking the pantry with food used daily does take an initial investment, but it is the most economical, convenient, and self-reliant way to live. (Try this step-by-step plan to fill your pantry.) Once the pantry is stocked, it's necessary to rotate the food storage, using the older products before newer ones.

Food Storage Guidelines: Starting, Storing and Organizing

Food Storage. Healthy Eating. People are sometimes surprised at how Pantry Paratus emphasizes both things, being under the misconception that a full pantry and a healthy one are paradoxical. I ' m going to prove that wrong, and teach you how to switch to healthy food storage. Why Food Storage Seems Unhealthy. This is how it is often done.
