A visual dictionary that defines and illustrates 30,000 terms in science, technology, art, music, and sports.

From Finland to Newfoundland and Jelling to Jerusalem, follow in the wake of the Vikings—a transformative story of a people that begins with paganism and ends in Christendom. In AD 800, the Scandinavians were just barbarians in longships. Though they held sway in the north, their power meant little more than the ability to pillage and plunder, which they did to bolster their status at home. But as these Norse warriors left their strongholds to trade, raid, and settle across wide areas of Europe, Asia, and the North Atlantic, their violent and predatory culture left a unique imprint on

medieval history. The twist that no one predicted, however, was a much slower, insidious takeover than any the Vikings would execute, and by a turn of the tide, they themselves became its target. For as they made their mark on Europe, Europe made its mark on them. By the year 1200, what remained of the Vikings' pagan origins floated beneath the surface and the strong, strange territories of the north had become a part of Latin Christendom. Northmen is there to tell the tale, to pay homage to what was lost and celebrate what was won. Focusing on key events, including the sack of Lindisfarne in 793 and the Battle of Stamford Bridge in 1066, medieval history expert John Haywood recounts the saga of the Viking Age, from the creation of the world through to the dwindling years of halfhearted raids and elegiac storytelling in the thirteenth century. He does so with meticulous research, engaging narrative, and sensitivity for his subject, shedding light and blood along the way.

Offers more than thirty thousand objects and their parts with clear labels and annotations, including coverage of the natural world, physical sciences, technology, transportation, the arts, music, and sports.

Do you want to learn Hungarian the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. You learn the top 100 must-know slang words and phrases that are used in everyday speech. All were hand-picked by our team of Hungarian teachers and experts. Here's how the lessons work:

- Every Lesson is Based on a Theme
- You Learn Slang Words or Phrases Related to That Theme
- Check the Translation & Explanation on How to Use Each One

And by the end, you will have mastered 100+ Hungarian Slang Words & phrases!

The Ultimate Fighting Champion Hall of Famer tells his story in this no-holds-barred memoir—featuring a bonus chapter in this updated American edition. In *Quitters Never Win*, Michael Bisping—Britain's own Rocky Balboa—tells his life story from childhood as a British Army brat to a legendary mixed martial arts career and induction into the UFC Hall of Fame. The ultimate UFC underdog, Bisping fought his way to Number One contender three times, only to be knocked back each time. But he refused to give in, clawing his way to his first World Title shot at the age of thirty-seven—and becoming the first ever British UFC world champion. Bisping offers fresh insights about his fighting career, never-before-told stories about his film and TV career, and a harrowing account of his fighting off attempted kidnappers while filming in South Africa. Loaded with the humor and brutal honesty that first won him a following on the television show *Ultimate Fighter 3*, Bisping recounts his record setting thirteen-year fight career battling the likes of Anderson Silva, Georges St-Pierre, and Dan Henderson.

That means more time sewing and less time crying! Get a copy of Sewing Machine Problems and How to Solve Them to keep in your sewing room. You can fix most sewing machine problems yourself!

Designed to guide learners through the often disorienting experience of taking a first art history class, this book addresses all aspects of that total experience. KEY TOPICS Specific chapter topics cover note-taking during lecture, studying for and taking slide exams, writing response papers, methodology, how to critique secondary scholarship, and what to do with an art history degree. For individuals with little or no experience in art history, and an interest in the powerful images that can provide a rich perspective on social, political, and cultural history.
