This question-and-answer companion to The Brigham Intensive Review of Internal Medicine, which is based upon the popular review course from Harvard Medical School, is a study guide for the American Board of Internal Medicine certification or maintenance of certification examination, as well as for general practice review by physicians and residents. Editors Ajay K. Singh and Joseph Loscalzo recruited leading authorities from Harvard as well as former chief residents at Brigham and Women's Hospital to contribute to this book. This thorough resource features 500 board review questions and answers on internal medicine specialties including: Infectious Disease, Hematology and Oncology, Rheumatology, Pulmonary and Critical Care Medicine, Endocrinology, Nephrology and Hypertension, Digestive Diseases and Disorders of the Pancreas and Liver, Cardiovascular Disease, Neurology, and General Internal Medicine. As the required content for the American Board of Internal Medicine continues to evolve, studying can prove challenging. The Brigham Intensive Review of Internal Medicine Question and Answer Companion is the ideal study guide for anyone preparing for certification or recertification.
