With warmth, lucidity and good humour, Pagnol, a boy from the city, recounts the glorious summer days he spent exploring the sun-baked Proven ç al countryside. He vividly captures the atmosphere of a childhood filled with the simple pleasures: a meal, a joke, an outing shared with his close-knit and loving family. These heart-warming stories remind us of how children can invest the smallest event or statement with incredible significance, how mysterious the workings of the adult world can seem to them and how painful the learning process can often prove. However, Pagnol ' s writing is filled with enormous optimism and delight. And his triumph in these classic memoirs is to have created that rare thing, a work suffused with joy. ' Pagnol ' s place in the history of French culture is secure. The Prousts and Sartres may be admired, but Pagnol is loved ' Times Literary Supplement

Tells the story of Jean de Florette, a 35-year-old, city-bred, hunchbacked idealist, his wife, Aimee, and his daughter, Manon. In the second novel, Manon seeks revenge for her father's death, and it is she who brings the wheel full circle in a final dramatic retribution in the town square.

Two novels relate the story of an idealistic city dweller and confrontation with two secretive and deceitful Provencal countrymen

Though long ignored or dismissed by film critics and scholars, Marcel Pagnol (1895 – 1974) was among the most influential auteurs of his era. This comprehensive overview of Pagnol ' s career, now available in paperback, highlights his unique place in French cinema as a self-sufficient writer-producer-director and his contribution to the long-term evolution of filmmaking in a broader European context. In addition to reassessing the converted playwright ' s controversial prioritisation of speech over image, the book juxtaposes Pagnol ' s sunny rural melodramas with the dark, urban variety of poetic realism practised by influential peers such as Jean Renoir and Marcel Carn é . In his penchant for outdoor location shooting and ethnographic authenticity, as well as his stubborn attachment to independent, artisanal production values, Pagnol served as a precursor to the French New Wave and Italian Neo-Realism, inspiring the likes of Jean-Luc Godard, Fran ç ois Truffaut, Vittorio De Sica, and Roberto Rossellini.

Though long ignored or dismissed by film critics and scholars, Marcel Pagnol (1895-1974) was among the most influential auteurs of his era. This comprehensive overview of Pagnol ' s career, the first ever published in English, highlights his unique place in French cinema as a self-sufficient writer-producer-director and his contribution to the long-term evolution of filmmaking in a broader European context. In addition to reassessing the converted playwright ' s controversial prioritisation of speech over image, the book juxtaposes Pagnol ' s sunny rural melodramas with the dark, urban variety of poetic realism practised by influential peers such as Jean Renoir and Marcel Carn é . In his penchant for outdoor location shooting and ethnographic authenticity, as well as his stubborn attachment to independent, artisanal production values, Pagnol served as a precursor to the French New Wave and Italian Neo-Realism, inspiring the likes of Jean-Luc Godard, Fran ç ois Truffaut, Vittorio De Sica, and Roberto Rossellini.
