Do you want to be able to express yourself in Spanish with confidence and fluency? Insider's Spanish offers a local perspective on Spanish culture, opinions and language use so that you can speak confidently on today's most important and relevant topics. This intermediate Spanish conversation course, devised for all intermediate-level learners or those following on from Total or Perfect Spanish, will advance your overall fluency, listening comprehension and conversation skills, expand your vocabulary and improve your grammar. Through authentic, lively conversations around engaging topics, and the unique Michel Thomas Method for learning, this course focuses on the colloquial language and conversation strategies used by native Spanish speakers so that you can fit in and communicate more naturally. Michel Thomas, the preeminent language teacher, always said that learners start by mastering basic linguist structures (as in his Total and Perfect courses), which provide the bare walls of the house, but that that it was up to us, the learner, to decorate it in our own personal way. Insider's Spanish reflects Michel Thomas's 'Phase 2' courses that he and his team offered at his New York language school, allowing increased vocabulary, improved speaking, comprehension and reading and writing skills - the tools with which to decorate their houses. Insider's Spanish includes: · Twenty authentic conversations around a comprehensive range of subjects that reflect contemporary Spanish culture · Language plus: conversation strategies, pronunciation and intonation to help learners express themselves naturally · Listening and speaking practice to help learners progress to the next level · Cultural insights into the unspoken rules of the language This ebook includes 10 chapters with integrated audio conversations. Why is the Michel Thomas Method so successful? The Michel Thomas Method draws on the principles of instructional psychology. Knowledge is structured and organised for the student so that you assimilate the language easily and don't forget it. The method deconstructs the language into building blocks that are introduced sequentially in such a way that the learner creates his/her response and moves on to ever-more-complex sentences. Michel said: I will dissect everything into small parts and reassemble it in such a way that one will understand everything step by step. He was also very clear about his ground rules: no memorisation, no drills, no homework; relax and leave off the anxiety normally associated with language learning.

With no books, no memorising and no homework, Michel Thomas teaches the basic grammar of the language painlessly. Using the method he has perfected over the last 50 years, he now shares his secret with the world and makes it simple.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

"This is an intermediate Italian conversation course that will help you develop your communication skills and express yourself with confidence. Through engaging topics and the unique Michel Thomas Method for teaching languages, it helps you build conversation strategies and opens the door to topical issues that are key to the Italian speaker today. The course is ideal for intermediate learners who want to take their conversation further. It is also the right course for learners who have enjoyed Michel Thomas Total and Perfect courses. The Total and Perfect courses give learners a strong foundation in the language, a 'house', as Michel Thomas called it. Insider's course is designed as a Phase 2 course, which allows learners to start using that language in more authentic contexts and with more colloquial language. It is the 'decoration' for the house, which was the next step in Michel Thomas's learning journey. This course includes audio featuring native speakers and guided practice, interactive exercises and self-assessment."--Publisher description.
