Tarot and Magic, the third book in Llewellyn's Special Topics in Tarot series of advanced and specialized Tarot techniques, shows you how. Straightforward and respectful of all spiritual paths, this guide teaches you how to create your own Tarot spells and rituals, and use the magical power of the cards as talismans. It reveals the secret connection between the Tarot and sex magic, and presents three methods for exploring this connection. You'll learn how to enter and work in the astral plane, using the Tarot as a map. You'll even rediscover the time-proven but little-known magic technique of dancing the Tarot, developed by respected magicians Denning and Phillips. Each chapter concludes with questions designed to trigger your own magical abilities. Your Tarot deck is a powerful magical tool—use it to create the changes you desire in your life.

The New Hermetics is a powerful spiritual technology of the mind. It is a course of study and practice that teaches the science of illumination and the ability to alter reality. The ancient Egyptian form of Hermetic philosophy was that the mind shapes reality. The New Hermetics extends that philosophy - the universe is a great mind or consciousness, and we are a part of that consciousness; therefore by learning to control the mind, we learn to control our part of the universe. With updated versions of the ancient Rosicrucian brotherhood's 10 levels of initiation, combined with ancient and modern mind-expanding techniques such as visualization and NLP (neuro-linguistic programming), The New Hermetics progressively gives initiates power over their minds and world. Practicing these elements simultaneously makes it possible to undergo initiation into the mysteries of consciousness in a fraction of the time it was ever before possible. The course offered in the book lets practitioners master their minds in such a way that they will be able to achieve anything and everything they want in life, spiritually and physically. The New Hermetics offers 10 levels of instruction to control the mind and control reality: Level 1-The Initiate teaches mastery over behavior and visualization in the Ether. Level 2-The Zealot bestows mastery over emotions, breathing, and Etheric energy. Level 3-The Practitioner gives mastery over mind, beliefs, and the ability to project Etheric energy. Level 4-The Philosopher masters creativity, values, and the ability to direct Etheric energy. Level 5-The Adept develops relationship with cosmic consciousness. Level 6-The Advanced Adept offers the power to direct the forces of cosmic consciousness. Level 7-The Perfect Adept gives wisdom and the ability to share these forces with others. Level 8-The Master bestows mastery of cosmic consciousness. Level 9-The Mage gains mastery of universal power. Level 10-The Ultimate Master obtains mastery over the universal self. The New Hermetics is a powerful course of instruction that can help anyone master themselves to rule their world.
