*About Me — Michelle Falkoff*

Playlist for the Dead is a damn good YA novel; one that I read in one sitting. Michelle Falkoff deals with the different emotions felt – sadness, anger, confusion etc – with sensitivity. She focuses on those that are left to deal with death rather than glorifying the act of suicide.

“A page-turner that combines genuine intrigue with heartbreak and desire.”

—Holly Goldberg Sloan, New York Times bestselling author of *Counting by 7s* Part mystery, part love story, and part coming-of-age tale in the vein of *Thirteen Reasons Why*, *The Perks of Being a Wallflower*, and *The Spectacular Now*, Michelle Falkoff’s debut is an honest and gut-wrenching novel about loss, rage, what it feels like to outgrow a friendship that’s always defined you—and the struggle to redefine yourself. There was a party. There was a fight. The next morning, Sam’s best friend, Hayden, was dead. And all he left Sam was a playlist of songs and a suicide note: For Sam—listen and you’ll understand. To figure out what happened, Sam has to rely on the playlist and his own

memory. But the more he listens, the more he realizes that his memory isn't as reliable as he thought. And it might only be by taking out his earbuds and opening his eyes to the people around him that he'll finally be able to piece together his best friend's story. And maybe have a chance to change his own. "An absorbing and sensitive read." —Bulletin of the Center for Children's Books "Falkoff lightens the substantial topics of grief, bullying, and suicide with Sam's engaging investigation." —ALA Booklist "Realistic and well-written. The strong characters, dialogue and the use of the playlist to structure the book make this a good pick for struggling readers." —School Library Journal "Falkoff treats a difficult topic with delicacy and care." —Publishers Weekly "Truly powerful moments." —Kirkus Reviews

NEW YORK TIMES BEST SELLER • A Best Book of 2021: Entertainment Weekly, Good Morning America, Wall Street Journal, and more From the indie rockstar of Japanese Breakfast fame, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and

heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken,

lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

A captivating and profound debut novel about complicated love and the friendships that have the power to transform you forever, perfect for fans of *The Perks of Being a Wallflower*. Mira is starting over at Saint Francis Prep. She promised her parents she would at least try to pretend that she could act like a functioning human this time, not a girl who can't get out of bed for days on end, who only feels awake when she's with Sebby. Jeremy is the painfully shy art nerd at Saint Francis who's been in self-imposed isolation after an incident that ruined his last year of school. When he sees Sebby for the first

time across the school lawn, it's as if he's been expecting this blond, lanky boy with mischief glinting in his eye. Sebby, Mira's gay best friend, is a boy who seems to carry sunlight around with him. Even as life in his foster home starts to take its toll, Sebby and Mira together craft a world of magic rituals and impromptu road trips, designed to fix the broken parts of their lives. As Jeremy finds himself drawn into Sebby and Mira's world, he begins to understand the secrets that they hide in order to protect themselves, to keep each other safe from those who don't understand their quest to live for the impossible.

But once she discovers a website with a section called Suicide Partners, Aysel's convinced she's found her solution—Roman, a teenage boy who's haunted by a family tragedy, is looking for a partner. “The Star-Spangled Banner” to “Born in the U.S.A.,” Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women’s suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them.

Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. *Songs of America* explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as “My Country, ’Tis of Thee,” “God Bless America,” “Over There,” “We Shall Overcome,” and “Blowin’ in the Wind.” As Quincy Jones says, Meacham and McGraw have “convened a concert in *Songs of America*,” one that reminds us of who we are, where we’ve been, and what we, at

Fans of Eleanor and Park, The Spectacular Now, Willow, and Perfectly Good White Boy won't be able to put down this gritty but hopeful love story about two struggling teens. Tyler has a football scholarship to Stanford, a hot girlfriend, and a reliable army of friends to party with. Then his mom kills herself. And Tyler lets it all go. Now he needs to dodge what his dad is offering (verbal tirades and abuse) and earn what his dad isn't (money): He needs a job. It's there that he reunites with Jordyn, his childhood best friend, and now the token goth girl at school. Jordyn brings Tyler an unexpected peace and, finally, love. But with his family in shambles, he can't risk bringing Jordyn too deeply into his life. So when violence rocks Tyler's world again, will it be Jordyn who shows him the way to a

For fans of Jenny Han and Morgan Matson, a witty, poignant novel about second chances, letting go, and the unbreakable bonds of friendship. Six months ago, Ashlyn Montiel died in a bike accident. Her best friend, Cloudy, is keeping it together, at least on the outside. Cloudy's insides are a different story: tangled, confused, heartbroken. Kyle is falling apart, and everyone can tell. Ashlyn was his girlfriend, and when she died, a part of him went with her. Maybe the only part he cares about anymore. As the two people who loved Ashlyn best,

Cloudy and Kyle should be able to lean on each other. But after a terrible mistake last year, they're barely speaking. So when Cloudy discovers that Ashlyn's organs were donated after her death and the Montiel family has been in touch with three of the recipients, she does something a little bit crazy and a lot out of character: she steals the letters and convinces Kyle to go on a winter break road trip with her, from Oregon to California to Arizona to Nevada. Maybe if they see the recipients—the people whose lives were saved by Ashlyn's death—the world will open up again. Or maybe it will be a huge mistake.
