The SAS base certification is really an exam that tests whether you know the syntax. It is full of questions that will play with things like: A variable named like a keyword Does (not) need an equals sign there

How long does it take to prepare for the SAS base ...

SAS offers an official guide called SAS Certification Prep Guide Base Programming for SAS 9 which covers the subjects relevant to the exam and each chapter includes a small quiz in the end. The guide is comprehensive and detailed, although the real exam questions are in my opinion harder than to those in the official guide.
