He made his first actual field recording in 1938, of Sacred Harp, or shape-note singing in Alabama. Over the next few years he would record several examples of gospel, blues and folk music ...

**Retelling the History of Black Music: The Beautiful Music ...**

"Through these field recordings we hear those crackling localities, places on the American map where we can find a beautiful music all around us." Stephen Wade--musician, writer and folklore contributor to NPR 's All Things Considered --is a lucky man; lucky to have this incredible material to work with: the history, the back stories, of the Library of Congress folk music recordings.
