He writes of the seasons changing, the smell of the rain, the brightness of the moon and the beauty of the waterfall, through which he sensed the mysteries of the universe.

The Narrow Road to the Deep North and Other Travel:

The road to success is often a lonely, narrow one, littered with mistakes, learnings, scars and disappointments. This project is purely a selfish one. It gives me a reason to get myself in front of people who have walked the Narrow Road and learn from them.

"The Narrow Road to the Deep North " is one of the most magnificent works in classical Japanese literature. Basho was on the road for over a hundred and fifty days, almost entirely on foot. Even today Basho is revered in Japan for having the courage to abandon the material comforts of the temporal life in favor of the spiritual rewards of a life unfettered by possessions.
