Volvo Penta Stern Drive Manual Free - 1x1px.me

Hi all, I am looking at buying a 2000 Chaparral 280 SSi Bowrider with twin Volvo Penta 5.7
GSi engines coupled to DP drives. How much power do these engine produce ? Is that good
power for that boat ? I've also looked at a 31' Rinker which has a single I/O with 375HP... I'm
thinking that is gonna be under powered compared to the smaller Chaparral with much more
power.
