# Read Book Welcoming Children With Special Needs Empowering Christian Special Education Through Purpose Policies

The Christian school community has a unique impetus for impacting the lives of students with special needs. Doctors Lane and Kinnison present this groundbreaking guide for administrators to lay foundational components in order to develop a successful and sustainable special needs program in a Christian school. Kinnison outlines God's purpose for bringing children with special needs into the world. Lane provides step-by-step guidelines for fostering an inclusive and sustainable school environment. This book seeks to support Christian school educators, parents of children with special needs, and disability ministries servants in their quests to transform an under-equipped, private educational institution

into the indefatigable arms of Jesus that welcome. This book provides guidance to individuals who have and those who intend to develop a special needs program. Special education professors and researchers will find this text vital for working with pre-service Christian educators who wish to serve children with special needs. Christian schools--especially those that may have attempted and failed, or continue to struggle with developing their programs--will find this text an oasis for frustrated spirits. The past applications of these principles have achieved remarkable success. Now, with this text, leaders and innovators have a succinct, well-ordered guide for expediting their successes.

A guide to children's ministry that serves families with special needs Jesus set a high standard when He said "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven." The call is not limited to children who will sit quietly at His feet and listen, who color between the lines, who raise

their hands and wait to be called upon, and who work at grade level. Children's ministries are responsible to be ready to bring children with disabilities to Jesus' feet too. Every Child Welcome is the guide for leaders and volunteers to assist in purposeful planning and skill development for a ministry inclusive of children with unique needs. Experienced children's ministry leaders, and parents of special-needs children themselves, the authors are superbly equipped to offer a thoughtful, thorough approach to creating a positive environment for children--one where all children will be able to digest the important concepts being taught. For leaders and volunteers, Every Child Welcome will provide the knowledge and tools to \* create a welcoming environment before kids arrive \* help children learn more effectively by connecting new information to what they already know \*

reinforce the main idea of a lesson,  
building background knowledge and  
reviewing important concepts \*  
supplement instruction with hands-on  
activities to increase attention and  
participation \* reinforce and wrap up an  
activity effectively

It's hard enough for today's parents to raise faith-filled children. But for the parents of kids with special needs, the challenges can be almost overwhelming; these parents' own spirituality may suffer amidst the daily obstacles of raising a child with disabilities, and they may wonder how—or even if—their child can ever experience a meaningful spiritual life. In *Faith, Family, and Children with Special Needs*, David Rizzo—whose 12-year-old daughter has autism—offers great hope for parents who want to grow in their own spirituality while helping their children

# Read Book Welcoming Children With Special

Needs Experiencing God in a deeper way. Throughout the book, Rizzolo's abiding though sometimes tested Catholic faith is made clear as he thoughtfully explains everything from the practical, such as how parents can maintain sanity during Mass when the child with special needs becomes disruptive, to the profound, such as how parents can understand God in a way that is relevant to their predicament. At other times, Rizzolo's advice is intended to help the child grow in his or her own faith, as when he explains how kids with special needs can participate meaningfully in the Eucharist. By looking at big-picture issues of faith while also providing specific tips to nurture spiritual growth in parents and in their children with disabilities, Faith, Family, and Children with Special Needs will serve as a highly useful and inspiring resource for anyone in the community of

# Read Book Welcoming Children With Special Needs Empowering Faith who interacts with children with disabilities.

Introduction to the core concepts of teaching and supporting children with disabilities alongside their peers will help teachers ensure that all children meet their potential.

What do you need to lead a special needs ministry? *Leading a Special Needs Ministry* is a practical how-to guide for the family ministry team working to welcome one or 100 children with special needs.
